**OBJECTION TO JUDGE FILING IMPROPER DOCUMENTS**

1 Comes now Richard-Enrique; Ulloa, by special visitation and not appearing  
2 generally, before this court seeking a remedy, by "The Saving to the Suitors Clause" at  
3 USC 28 -1333(1). I respectfully request the indulgence of this court as I am not schooled  
4 in law. This is provided by the precedent set by Haines vs. Kerner at 404 U.S. 519

---

5  
6 I submit my Objection to the fact that JUDGE DAVID R. HOMER, took it upon  
7 himself to file documents (Statement of Issues) which were address to him personally  
8 and without consent from this party, as an answer to the complaint.

9 I submit my Objection to the fact that JUDGE DAVID R. HOMER, took it upon  
10 himself to file documents (Statement of Issue) which were address to him personally and  
11 without consent from this party, and without an Order made up on a separate sheet by  
12 him, ordering the entry into the case.

13 This Statement of Issues must be address by all parties and does not qualify for entry  
14 into the record; the document is in an improper form. A Motion to Strike is attached with  
15 this Objection to purge this Statement of Issue from the Docket (docket #10), based on  
16 improper format, no header page, and that it does not follow the rules as far as form or  
content.

17 Judge HOMER, did not have my consent or authority to file these documents into this  
18 case, much less enter then as evidence into the record since they were addressed to him  
19 personally and were not sent to the clerk with instructions for filing and they should be  
20 stricken from the record.

21 I pray to our Heavenly Father and not this court that justice be done.
